On Friday our year 5-8 students will be heading down to the stadium to take part in the Central Southland Tournament. Thank you to those parents who have offered to manage a team for the day.

Written mid year reports will be sent home at the end of the week and student led conferences will be held next Thursday. Times for these interviews will be sent home today. If Thursday the 7th does not suit please get in contact with your child/children's teacher to make an alternative time and date.

Students are busy writing and preparing their speeches, the competitive speech competition will be held on Monday the 3rd of July, this will begin at 10am.

Classes are learning about Matariki, Our Solar System and the Weather and looking forward to the visit from the Star Dome on Wednesday.

Thank You

We wish to thank Kevin McCallum who has donated a gate for the Glebe and to Tim Clark who has offered to put it in.

Good Luck

We wish Alex, Hayden & Edward all the very best as they head off next week to compete in the finals of the Young Farmers National Competition.

Student Led Conferences

Conference times have been sent home today with those families who returned their forms last week.

If you haven't returned your form, but wish to make a conference time please contact the school office.

Winter Sports Tournament

The bus will be leaving promptly from school after the 2nd bus run arrives on Friday morning. Children will be home in time for the afternoon bus runs. If you are bringing children to school on Friday morning who are taking part in the tournament please ensure they are at school prior to 9.00am. Children will need to bring a packed lunch (children will be hungry after playing the various sports so we encourage parents to please put in extra food for the day) a drink bottle, suitable footwear (no gum boots etc.) and clothing to run around in. Please wear/bring a coat as it can be quite cold in the stadium as we wait between games.

Children will not be able to purchase food at the stadium.
