Heddon Bush School

## Term Two, Week 5

Our **Syndicate Cross Country** will be held today after being postponed last week due to weather

Last week I travelled to Hamilton to attend the Rural Principals Conference. This was a great learning experience, I was able to attend a number of workshops and also visited a local primary school there to learn more about their maths curriculum delivery. It was also a good opportunity to network with Principals from other small rural schools all over the country.

We have a number of events coming up this term, there will be several teams attending the Young Einstein Quiz, John Parsons will be visiting and the Central Sports Competition is coming up. Have a great week!

Have a great week everyone!

### Dates for Diaries
