Athletics last Friday was a great day. We were very proud of all our students for getting out there and giving all the events a go. We are especially proud of our children's manners which were commented on at the conclusion of the day. Please see the results over the page for the day, congratulations to those who placed for their year level. Students will be notified if they have qualified for Central Athletics (Friday 31st of March) which will be held at Central Southland College. Please note that placing in an event does not automatically result in qualifying as qualifying standards are taken into consideration. We wish to thank Donald Kidd for once again transporting our high jump gear to and from Drummond. Thank you also to those parents who helped with our events during the day.

A very big thank you to the Horrells and the Laughtons from the School and the Board of Trustees. As you will know both families have kindly donated pea straw this year for the school to sell as a fundraiser. The money raised will go back into the school resources via the Home & School and will benefit the students. Thank you very much also to the Marnanes who provided and put up smoke detectors in the school house for us. We are very grateful to all our school community for their ongoing support.

We are holding a working bee soon, so would appreciate any help with this, please see the details below. There will also be another sausage sizzle on Friday to support Edward, Alex and Hayden fundraise for their trip to Palmerston North to represent the school in the Agri Kids Final. Thank you to Marion for her support in organising this.

Working Bee

We will be holding a working bee on **Wednesday the 22nd March at 1pm.**

If you can come along and help it would be most appreciated. We are going to give the school house a tidy up and attend to any jobs around the school.

Happy Birthday to Ruby who turns 6 on Wednesday.

The Goats in the Turnip Field

retold by Riccardo

The boy was taking his goats home. But the goats jumped over the fence and ate all the turnips in the field. Then a bee came along and chased the goats home.

Sausage Sizzle

Our next sausage sizzle day is this Friday 17 March.

Order forms have been sent home with children today. These need to be returned to school, along with the correct payment by this Wednesday 15 March please.
